HISTORY

Prior to 1940, the Fleet Landing location was the home of the Cooper River Ferry that shuttled folks across the river to Mt. Pleasant and the neighboring barrier islands. That year, a hurricane struck Charleston and badly damaged the Cooper River Ferry building. The U.S. Navy landed in 1942, tore down the ferry building, and constructed the current Fleet Landing building. The Navy utilized the building for off-loading sailors (some to the brig, where the bathrooms are now), supplies, general maintenance, and re-supplying of ships. Around 1970, the Navy retired the use of the Fleet Landing building for good. In 2003, Weesie & Tradd Newton leased the long-empty property from the South Carolina Ports Authority and undertook extensive renovations to transform it into downtown Charleston's most unique waterfront dining destination.

In 2024, Fleet Landing proudly celebrated 20 years on the Charleston Harbor honoring our history and the incredible work of our team who make every dining experience unforgettable.
